

Approved For Release 2002/08/21 : CIA-RDP91-00682R000100100045-4

Monday - 13 June 1949

1. Mr. Wheeler, House Un-American Activities Committee, called for an appointment with the Director in order to request certain information. On contacting him, I ascertained that he wished assistance in connection with Communism in Hawaii. I informed him that the FBI handled Hawaii, and that we had no jurisdiction there whatsoever. Upon confirmation of this with the Director, his appointment was cancelled.
